The Clerk received a septic permit for Knotty Pine and when he came to collect the permit, he expressed interest in opening a BBQ pit.

Justin believes there is a need to repaint lanes on Dewy Hicks. Lori states there is a bike lane so cars should move over.

Justin also touched on the need for new lights in the parking lot of Village Hall. Jerry Seymour retorted that Bill Colvin has approached him to replace the light and we are just waiting on approval from National Grid. While on the subject Lori mentioned that there aren't any lights or sidewalk to the only restaurant in the Village.

Lori believes there need to be a separate committee to go through tourism grants as she feels the Planning Board has enough on their plate as is.
